**Welcome to PowerSchool. The website to access PowerSchool is:**

<http://www.warehamps.org:5071>

When you visit the website you will be asked for your username and password. Keep your username and password secure. A parent login gives you additional access that your student's login does not grant such as requesting parent reports. You will have a separate username for each child. Your students will also have the opportunity to log in to the assignments and grades, but will be given their own usernames and passwords from their teachers.
