

# Destination ImagiNation

*Begin the Journey of a lifetime.*

**Destination ImagiNation™** is an extraordinary program that is devoted to helping kids gain practical life skills through interesting, entertaining, and mind-boggling challenges. All the challenges are designed to follow the educational standards. Teams of up to seven students choose their challenge and work for months developing their solution. Volunteer team managers facilitate the group, but cannot give technical or other assistance. Kids are empowered to design, produce and present all of their own work. Teams present their solutions at regional and state tournaments, which demonstrate to teams that there are many ways to solve the same problem. *Please note that student participation is usually only limited by the number of adults willing to serve as Team Managers.*

*The tournament date for Wareham is Saturday, March 12, 2011.* This is an all day event that will take place at Dennis-Yarmouth Reg. High School. If you know that you will not be able to attend on this date, please do not consider participating in the program this year.
