

**[Jump Start Interactive Lessons](#)
[on PBS LearningMedia](#)
[FREE Webinar for All Educators and Parents](#)
[Wednesday, April 8 at 7:00 PM ET](#)**

[Interactive Lessons](#) are tailor-made for engaging students in rigorous, standards-based distance learning. Join educator-presenters and WGBH Education training manager for a quick tutorial on how to search and effectively use Interactive Lessons with your students across the grades and disciplines, whether you are face-to-face or virtual. There will be ample time for Q&A.

[Webinar Objectives:](#)

- Understand what **[Interactive Lessons](#)** are and how to find them on PBS LearningMedia
- Hear best practice classroom scenarios from educators experienced with Interactive Lessons

[Register Now](#)

Feel free to share this invitation with your colleagues. Please **[register](#)** as space is limited. A Certificate of Completion will be awarded to all who attend the live stream and complete a brief survey.

[Explore our Distance Learning Center](#)

WGBH's **[Distance Learning Center](#)** is here to support teachers, students, and families. We've curated assignable, self-paced, and self-contained lessons and activities from PBS LearningMedia and early childhood

DESE and WGBH Partnership for Educational Resources

education libraries. These resources are easy to use and minimize the need for logging in, hands-on guidance, or group work.
