Diversión en familia y en casa

Family Fun at Home a summer learning adventure!

Families have a **new way to keep children learning while having fun at home this summer!** WGBH and New England Public Media have partnered with the Massachusetts Department of Early Education and Care to create **Family Fun at Home/Diversión en familia y en casa**, a 12-week summer learning adventure for families with children ages 0-8.

Families who want to participate can visit the **Family Fun at Home website!** Each week, a new collection of activities in English and Spanish will be posted for families to do at home. Each collection features a variety of fun, hands-on activities, online games, and videos, all featuring favorite characters from PBS KIDS. Families who complete at least four activities in a given week are eligible to enter a weekly raffle for a chance to win a \$25 gift card. **More than 1,000 gift cards will be distributed to Massachusetts families this summer!**

For families with infants and toddlers, Family Fun at Home has a **collection** of parenting videos, a selection of developmentally appropriate activities, and access to a free text messaging program from **The Basics**.

Please share information about **Family Fun at Home** with the families of children and students in your care and education communities. Encourage parents and caregivers to connect with their local **Coordinated Family and Community Engagement** program to learn more about **Family Fun at Home** and other helpful resources.
