

2020-2021 Wareham Public Schools Summer Programs

School	Date	Time	Course	Description
John W. Decas Grades K-2	July 6 th - August 12th	8:30 AM- 2:30PM	CARE Summer School	21st Century Learning Center Grant (CCLC) Students are provided with hands- on project -based learning, the academic outcome chosen for the summer is ELA. The grant requires either a Math or ELA academic outcome. In a typical day, students have their first class from 8:30-11:30, sample classes Cooking with Math, Spanish, Legos with Math, Imagination Station, Crafting, Kindergarten Boot Camp, etc. Lunch is 11:30-12:00 and the second block of class is 12:00-2:30. Students will also have the opportunity with offsite programming with our partners, Buzzards Bay Coalition (BBC), MASS Audubon and Gleason YMCA. The BBC will provide Kayaking, sailing, paddle boarding and beach exploration at the Onset Bay Center. Selected population of students are economically disadvantaged, students with disabilities and students at risk academically.
John W. Decas Grades K-2			BOOST	A summer program that helps build the necessary skills for students to become successful readers. Through practice, movement, and group work, students become prepared for the next grade level
Extended School Year				Students will continue to work on a number of academic, social-emotional, and collaboration skills. This opportunity is based on the needs of the individual student, per the student’s IEP. This opportunity may include academics, related services, or both.
Wareham Middle School Grades 5-7	July 6 th - August 12th	8:30 AM- 2:30PM	Accelerated Summer Academy	<ul style="list-style-type: none"> • The ASOST grant proposals had to add enhancements specifically to support the recovery of academic, social-emotional, and health/wellness skills and enrichment opportunities impacted by the Covid-19 pandemic. This may include but is not limited to acceleration academies, drop out reengagement efforts, and elementary/middle/high school transition support. <p>Is funded with the After School- Out of School Time (ASOST) grant</p>

				that is allowing for heavy focus on Math and ELA during the morning block for students who have not succeeded academically during this pandemic as long as the afternoon component is enrichment activities. These students will participate in the Afternoon CARE programs. Math and ELA were the chosen academics.
Wareham High School Grades 8-12	July 6 th - August 12th	8:30 AM- 2:30PM	SAIL Summer Program	21st Century Learning Center Grant (CCLC) Students are provided with hands- on project -based learning, the academic outcome chosen for this summer is ELA.
