Safety Protocols in Place for Hybrid Learning

- Average of 200 students in the building at one time
- In-person classes will average 6 to 10 students per class
- Desks are all set up six feet apart
- All students and staff will be required to wear a mask
- Extended passing period
- All ventilation repairs will be completed before October 5
- Over 60 hand sanitation stations located throughout building
- CDC guidelines followed at all times

Remote Learning Plan

- We are planning for synchronous classes
- Students held accountable to traditional attendance (logging in online) and grading policies
- Courses taught by WHS teachers

How will students know where to go on day 1?

- Students should check their schedule in PowerSchool to determine their periods. All periods, including advisory, will meet based on the DRAFT schedule for Wednesdays
- Teachers will reach out to their classes via email with class information and Google Classroom codes
- Classes will take place on Zoom or Google Meet, depending on the teacher (info in Google Classroom)

Classroom Procedures

- All teachers will have public **landing pages** linking parents and students to contact info and Google Classroom links.
- All teachers will be organizing class assignments into **Playlists**, which list a weekly agenda and due dates.
- Virtual Meeting Expectations will be shared with parents/students via email
- Students will be expected to login at specific times and will be held to traditional grading and attendance expectations
