

Students,

You are receiving this email because you chose the hybrid model for school this year. The WHS Faculty and Staff are excited to welcome you back into the building next week! The hybrid model will begin Monday, October 5, and it will follow the structure below:

Students	In-Person Learning at WHS	Remote Learning at Home
Last names A through K	Monday & Tuesday	Wednesday, Thursday, & Friday
Last names L through Z	Thursday & Friday	Monday, Tuesday, & Wednesday

To ensure the safety of all students and staff at WHS, there are some procedural changes that have been made, which we expect all students and staff to abide by:

- Masks must be worn at all times.
- A 6-foot distance must be maintained by everyone at all times.
- **Bus & Parent Drop Off Plan** - Student drop off will occur in the front circle, as usual. Buses will drop off at the side entrances. Students will not be allowed into the building until 7:35am.
- **Arrival Procedure** - Students will immediately report to their period one class. If students are unsure of their period one class, a list will be posted in the foyer windows (middle of the school) on both floors. Students will find their name listed with their period 1 room number. In their period one class, they will receive a schedule which is similar to what is posted on PowerSchool.
- **Hallway Passing** - Hallways will allow for one-way travel only. Please abide by the arrows on the floor at all times.
- **Assigned Seating** - For purposes of contact tracing, every class will have assigned seating setup in advance by the teacher.
- **Restrooms** - Students will utilize the cafeteria restrooms (first floor) and the upstairs middle foyer restrooms. Only two students at a time will be allowed in to use the restroom.
- **Water** - Students may bring their own water to class. The hallway water fountains have been disabled.
- **Breakfast & Lunch Plan** - When students leave school for the day, students will obtain a to-go lunch for that day and breakfast for the next day.
- **Bus & Parent Pick Up Plan** - Students will be dismissed at 11:10 and cars picking students up must be in the parking lot, as buses will be lined up around the school. Afternoon classes resume remotely at 12:15.
- **A School Map** is attached for your convenience. This lists every classroom in the building as well as the hallway arrows for travel.

It is important to note that the daily period schedule, which you have been following since school began on September 16, will NOT change. It is listed below, for your reference.
