Dear Parents/Guardians,

All students will be required to provide their own headphones or earbuds. They need to be placed in a Ziploc bag with the student name written in permanent marker on the bag. The headphones/earbuds will be used in the classroom each day as well as accompany students to the computer lab. Personal headphones/earbuds will help to ensure each student's health.

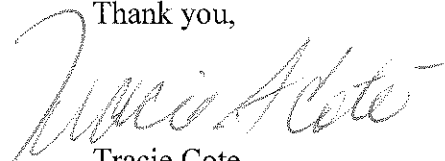

The price range varies greatly and many are available at Target, Walmart, Staples, Ocean State Job Lot, TJ Maxx, Dollar Tree and online.

Students only need basic headphones or earbuds for the work they will do at school. It is not necessary to spend a great deal of money. Any style will work as long as they have the 3.5mm (small) plug that will connect to a standard computer headphone jack.

Here are some samples of what to purchase. Any brand or style is acceptable.

Thank you,

Tracie Cote
Principal
