April 12, 2022

Dear Families,

We are preparing to welcome your children to 5th grade on August 29, 2022. This is an exciting time in your child's life. We consider ourselves extremely fortunate to assist all of the children of Wareham entering grade 5.

The Wareham Middle School curriculum is challenging and engaging. We offer one on one computing, rigorous core classes, art, music, wellness, physical education and specialized classes in STEAM education.

The placement process is extremely complex. Placement is an intense undertaking and it is important that we have all of the information necessary to create a learning opportunity that is best suited to your child. Your child's grade 5 teacher's name will be mailed to you in the middle of August. We greatly appreciate your support and understanding.

At this time, we would like to invite you to contact us regarding your child. We individually select a teacher for your child and the information you provide to us regarding the learning style of your child assists in determining their placement. Please understand that specific teacher requests are not accepted. What is more important, is providing your child with the best learning experience for them. We feel this is in the best interest of all students.

We are looking forward to your email or phone call. We will also be available for conferences and would be proud to take you on tours of our beautiful school. We appreciate receiving your feedback by Monday, May 2nd.

There will be an information night at Wareham Middle School on Thursday, May 12, 2022 for all incoming grade 5 students and their families. If your child's last name begins with A-L, your time slot is from 5:00PM-6:00PM. If your child's last name begins with M-Z, your time slot is from 6:00PM-7:00PM. Please enter through Door #9 in the back of the school. We look forward to seeing you.

Sincerely,

Tracie Cote, Principal
