Hello Wareham Middle School Families,

Thank you to all our band families! We enjoyed a wonderful live concert last week. Term 2 ends this Thursday. Report cards will be sent home with students on February 2nd.

If your child has COVID or has been exposed to COVID. Please call Nurse Akins.

In many communities across the country, ALICE is being implemented. ALICE stands for Alert-Lockdown-Inform-Counter-Evacuate. Following ALICE will help our students and staff feel more confident and better equipped in the event of a real threat at school. We will have assemblies on January 28th for all students. They will watch an ALICE video. Administration and Officer Baptiste will be available to answer any questions students may have. We will also hold a practice drill just like we do for fire drills at some point in February.

Masks are required to be worn in all public Massachusetts schools and buses by staff and students. Please note that bandanas, gaiters and masks with valves are not allowed in school. Cloth masks or disposable surgical masks are to be worn over the nose and mouth.

[Astronomy Nights](#) Please join our Wareham Community outside Wareham High School!
