Hello Wareham Middle School Families,

Report cards were given to students on November 17th. All report cards must be signed and returned to homeroom teachers. Please reflect on your child's grades with them. Are you seeing your child complete assignments and studying? Is your child attending extra help on Tuesdays? Does your child go to bed at a reasonable time? They should be getting 8-10 hours of sleep every night. Do you have Power School access? Please remember that all students and guardians have access to PowerSchool and their grades 24 hours a day, 7 days a week. We encourage students to look at their grades daily. We encourage guardians to review grades weekly with their children. Do you need to make a parent conference? If you do not have PowerSchool access or need to make a parent conference, please contact Mrs. Parsons at [bparsons@wareham.k12.ma.us](mailto:bparsons@wareham.k12.ma.us).

Thank you to everyone that contributed to our Student Council Food Drive. Items were donated to Damien's pantry.

The Wareham Free Library is NOT a place for middle school students to hangout after school. If middle school aged children would like to go to the library, they should be accompanied by an adult. The basketball courts near the Multiservice Center are NOT a good place to be after school either.
