

Dear Minot Forest Families,

I hope you are doing well during this difficult time. Students brought their Chromebooks home on Friday, March 13th. Information went out to email me, if students were absent or dismissed and families needed to pick up their child's Chromebook. Specific dates and times were scheduled individually to pick up Chromebooks if there wasn't a device at home that could be used. Appointments can still be made for pick-up for Friday, March 20th from 9-10:30.

Online instruction for students is starting Tuesday, March 24th. Teachers will be sending out information (DoJo, email to families) on Monday with a code for students to log into Google Classroom. They need to check in every day to see what the assignments are. There will be instruction for:

- ELA - Mon/Wed
- Math - Tues/Thurs
- Science/Social Studies - Fri
- Unified Arts Music, Art, Health, PE, STEAM – Fri

Special education teachers are teachers in all inclusion classes and will be providing support with the classroom teacher.

If students cannot get into a Google Classroom, they need to email their teacher directly. (Try shutting down and rebooting first). If you do not have internet, Xfinity is offering free Wifi and hot spots where you can connect. Log on to <https://hotspots.wifi.xfinity.com/mobile/?nc> on your phone and look for the three lines on the map that show the hotspots. We have a few packets of materials made up for those who have absolutely no means to connect that can be picked up at school by making an appointment with Mrs. Seamans.

Teachers will have times where you can email them with questions. Our Support Staff also will be available to help.

Ms. DeFilippo will be posting a video on how to clean their Chromebook, especially before they come back to school.

If you need any assistance, please email:

Mrs. Seamans	jseamans@wareham.k12.ma.us
Mrs. Murphy	rmurphy@wareham.k12.ma.us
Ms. DeFilippo	tdefilippo@wareham.k12.ma.us
Mrs. Ottaviano	lottaviano@wareham.k12.ma.us
Mrs. Atwood	lrattwood@wareham.k12.ma.us
