Dear Parents/Guardians,

In the next week, the District is ready to begin the Test and Stay Program. Information about Test and Stay is listed on WPS website (**Test & Stay Information**) <https://www.cic-health.com/schools#start> and can be accessed by clicking on the above link or going to WPS, COVID information.

Basic Information:

1. Should your child be identified as a close contact to a positive COVID case, you will be contacted by the school nurse at your child's school.
2. You will be asked if you would like your child to receive a COVID test.
3. If you agree for your child to be tested, you **MUST** sign permission. We will not administer the test without written permission.
4. The permission form is on the District's COVID website and can be submitted either in written or electronic form. If in written form, permission is submitted to the school your child attends.

Finally, as a reminder, if your child is ill or exhibiting symptoms, please keep your child home.

Thank you.

Dr. Kimberly B. Shaver-Hood
Superintendent
