Dear Parents and Guardians,

On August 6, 2020, the Wareham School Committee voted for the Hybrid Model adopted format for our school year 2020-21

As a parent/guardian, you have a decision to make. Wareham Public School is providing you two different options for academic instruction during this school year. The two models are:

Hybrid Model: Students will spend two days a week (shorten days) in the classroom and the rest of the week, accessing academics remotely. Students will be divided into two (2) groups, cohort A and cohort B.

Cohort A will attend school on Monday and Tuesday.

Cohort B will attend school on Thursday and Friday.

All learning will be remote on Wednesday.

Remote Model: All academic instruction will be delivered online. Students will not attend school; rather, students will engage in online learning provided by Wareham Educators.

Below is the link to the enrollment form.

Please promptly complete this form by August 17, 2020.
