

Come Join Us!

March 19, 2019

Join us in the WHS Auditorium at 6:00 PM
Learn about this exciting option for 8th graders who attend Wareham High School next year!

Dual Enrollment: Accelerated Academic Academy Presentation

If your child is somewhat advanced and is up for a challenge, this is a great program to consider!

Students that are interested in an accelerated program will be able to take high school-level classes with 9th grade students who are motivated and taking Honors level courses.

Option 1 – Traditional AAA program

- English 9 Honors
- Algebra 1 Honors
- Intro to the Physical World Honors
- World History

Option 2 – Humanities- Focused AAA program

- English 9 Honors
- World History

Option 3 – STEM-Focused AAA Program

- Algebra 1 Honors
- Intro to the Physical World Honors

What type of student should consider this program?

There is no one answer, but the following traits or preferences should correlate with success:

- Curiosity
- Commitment
- Creativity
- Academic Preparedness
- Motivation

Parent Night – 8th Grade at WHS

Come meet Wareham High School Administrators, teachers, and coaches!

Why should your child attend WHS? Well, we are more than prepared to tell and show you! We are extremely proud of the many offerings and opportunities our school can provide to your child, so please join us to learn more. The benefits are many, but some things to consider are

- A strong curriculum and varied course offerings
- A variety of clubs, activities, and sports to keep your child active, involved and motivated
- Authentic learning experiences to support classroom learning
- The WHS Viking community – a strong, close-knit school community

To learn more, please attend an informational presentation, tour, and activities expo where you can speak with WHS students, coaches, and club advisors. We look forward to meeting with you!
