

December 1, 2020

Dear Wareham Parents and Guardians,

I received information yesterday evening that a student at Decas Elementary had tested positive for COVID 19.

All students and staff who were in close contact with the student have been notified. The student's close contacts are now quarantining for the required time of fourteen (14) days.

We will continue to comply with all Public Health protocols, to keep our students & staff safe and healthy while at school or on the bus.

Sincerely,

Dr. Kimberly B. Shaver-Hood
Superintendent
