

Elementary School Parent Letter 10/14/2021

October 14, 2021

Dear Parents/Guardians,

It is hard to believe, but Wareham Elementary is almost finished, and we will be given clearance to occupy the building. We are very excited about our plan for students to return to the new school on January 3, 2022.

In the next few weeks, plans will be shared with you that will outline student visits to the new school and parent and community visits to see the facility. In addition, Mrs. Chandler and her staff will be sharing information about the following: Before and after school student drop off and pick up, drop off procedures, how to pick up your child during the school day, and other details.

We know you may have questions about the transition or the actual move. Mrs. Chandler will be hosting an informational session via Google Meet on November 15, 2021 beginning at 6:00 p.m.

During the entire building process, we have thanked the citizens of Wareham for their support, and we continue to do so. The new school is simply amazing, and your child will love their new school.

Sincerely,

Dr. Kimberly B. Shaver-Hood
