RESIDENCY

Purpose

The purpose of this policy is to provide guidance to school administrators, parents and/or legal guardians regarding the admission of students to the Wareham Public Schools. The right to attend the schools is regulated by statute and is generally limited to students who reside in Wareham and to certain nonresident students who are eligible to attend the schools under specific programs or conditions approved by the Wareham School Committee.

Eligibility

In accordance with the laws governing the provision of special education services, Wareham provides services to students ages 3 through 21. Wareham School Committee Policy entitled "Entrance Age" establishes Wareham’s age requirements for enrolling in kindergarten and 1st grades. Wareham establishes a maximum permissible age for school attendance at 21 years for individuals who do not have a high school diploma or its equivalent.

Every student seeking admission to school for the first time must present proof of vaccination and immunizations as required by the state.

Verification of Residency

Before a student is enrolled in the Wareham Public Schools, Wareham must receive appropriate evidence of the student’s residency in Wareham. This evidence may include the following:

1. Copy of an executed lease or rental agreement stating the beginning date of residency and duration of the lease/rental agreement;
2. Copy of an executed Purchase and Sale Agreement stating the closing date;
3. Copy of deed or most recent property tax bill and record of most recent mortgage statement (financial information may be omitted);
4. Copy of a utility bill;
5. Copy of a Section 8 agreement;
6. A valid MA driver’s license, Photo ID Card, Passport, or other Government-issued Photo ID; or
7. A voter’s registration card

The school district reserves the right to require additional documentation where, in the judgment of the Superintendent, a student’s actual residence has not been established.

Relationship to Federal and Massachusetts Laws and Regulations

It is the intent of the foregoing policy that the Wareham Public Schools shall also be in compliance with all Federal and State laws and regulations bearing upon enrollment issues, including but not limited to:

Race/Ethnicity Data Collection

Every school district in Massachusetts is required to report to the Massachusetts Department of Education each year student data by race and ethnicity categories that are set by the federal government. The Department of Education does not report individual student data to the federal government, but does report the total number of students in various categories in each school. These reports help us keep track of changes in student enrollments and ensure that all students receive the educational programs and services in which they are entitled.

The federal government recently changed the reporting categories for student data. With the new reporting categories, you may now identify your child by ethnic group (either Hispanic/Latino or not Hispanic/Latino) and by one or more racial groups (American Indian/Alaska Native, Asian, Black/African-American, Native Hawaiian/Other Pacific Islander, White). Starting with the 2005-06 school year, all schools in Massachusetts will report student data to the Department of Education using the new categories. Please note that we have the right to ask for this information; we do not have the right to question your answers. For more information about the student data reporting categories, please see: http://www.doe.mass.edu/infoserv/data/guides/race_faq.html.

You must check one item from the first column and one or more items from the second column.

Ethnicity (please check one):
- [ ] Hispanic, Latino, or Spanish Origin. A person of Cuban, Mexican, Puerto Rican, Cuban, South or Central American, or other Spanish culture or origin, regardless of race.
- [ ] Not Hispanic or Latino

Race (please check one or more as appropriate):
- [ ] American Indian or Alaska Native. A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.
- [ ] Asian. A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippines, Thailand, and Vietnam.
- [ ] Black or African American. A person having origins in any of the black racial groups of Africa.
- [ ] Native Hawaiian or Other Pacific Islander. A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
- [ ] White. A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Massachusetts Parental Notice for One Time Consent to Allow the School District 
To Access MassHealth (Medicaid) Benefits

School District Name and Code: Wareham Public Schools 3100000

School/District Contact: Melissa Fay, Director of Student Services, 48 Marion Road, Wareham, MA 02571

Dear Parent/Guardian:

The purpose of this letter is to ask for your permission (also known as consent) to share information about your child with MassHealth. Local communities in Massachusetts have been approved to receive partial reimbursement from MassHealth for the costs of certain health-related services provided by the district to your child (or children). In order for your community to get back some of the money spent on services, the school district needs to share with MassHealth the following types of information about your child: name; date of birth; gender; type of services provided, when, and by whom; and MassHealth ID.

With your permission, the school district will be able to seek partial reimbursement for services provided by MassHealth, including, among others, a hearing test or eye exam; a school physical; occupational or speech or physical therapy; some school nurse visits; and counseling services with the school social worker or psychologist. Each year, the district will provide you with notification regarding your permission; you do not need to sign a form every year.

The school district cannot share with MassHealth information about your child without your permission. As you consider giving permission, please be advised of the following:

1. The school district cannot require you to sign up for MassHealth in order for your child to receive the health-related and/or special education services to which your child is entitled.

2. The school district cannot require you to pay anything towards the cost of your child’s health-related and/or special education services. This means that the school district cannot require you to pay a co-pay or deductible so that it can charge MassHealth for services provided. The school district can agree to pay the co-pay or deductible if any such cost is expected.

3. If you give the school district permission to share information with and request reimbursement from MassHealth:
   a. This will not affect your child’s available lifetime coverage or other MassHealth benefit; nor will it in any way limit your own family’s use of MassHealth benefits outside of school.
   b. Your permission will not affect your child’s special education services or IEP rights in any way, if your child is eligible to receive them.
   c. Your permission will not lead to any changes in your child’s MassHealth rights; and
   d. Your permission will not lead to any risk of losing eligibility for other Medicaid or MassHealth funded programs.

4. If you give permission, you have the right to change your mind and withdraw your permission at any time.

5. If you withdraw your permission or refuse to allow the school district to share your child’s records and information with MassHealth for the purpose of seeking reimbursement for the cost of services, the school district will continue to be responsible for providing your child with the services, at no cost to you.

I have read the notice and understand it. Any questions I had were answered. I give permission to the school district to share with MassHealth records and information concerning my child(ren) and their health-related services, as necessary. I understand that this will help our community seek partial reimbursement of MassHealth covered services.
