# INTERNATIONAL NIGHT

It is time for Wareham Public School's International Night hosted by the WPS Global Ed Team. International Night will be held on Thursday, March 21 from 5:30 to 7:00pm at the John W. Decas School cafeteria.

Upon entering the cafeteria, students and their families will check in at our 'Consulate' table where they will receive a 'passport'. As each family explores tables, representing many different countries, they will add a flag from each country to their passports. While 'visiting countries', students learn about different people, customs, traditions, foods, music and more. Once the child's passport is complete, students can go to the "customs" table to receive a small gift. We will have a variety of entertainment provided throughout the evening as well as food generously donated by a variety of local restaurants.

Are you, your family, or organization interested in hosting a country table? This is a great time to work together with your child(ren) to discuss family history, stories, and cultural traditions. Clubs and scouting groups often enjoy participating. Teachers can meet cultural competency goals for education evaluations while having fun learning about a country with students.

Your table might include:

A poster board or trifold with pictures and facts about your country or culture

Food samples from your country

Clothing or artifacts

Music and/or instruments

Anything and everything that might represent your heritage

Anyone interested in hosting a table (deadline March 8th to sign up for a cultural table) or otherwise volunteering their time to support this wonderful community event should contact me at 508-291-3530 or [lpol@wareham.k12.ma.us](mailto:lpol@wareham.k12.ma.us). Thank you for your continued support.

Sincerely,

Laura Pol  
International Night Co-Chair
