

INDIAN EDUCATION GRANT PUBLIC HEARING

The Mashpee Wampanoag Tribes Indian Education Program invites you to attend a Public Hearing for the DOE Title VI Indian Education 2021-22 grant application. The public hearing is an informational opportunity for parents of Native American students attending and educators working in the Barnstable, Bourne, Falmouth, Sandwich, Wareham, and New Bedford public school districts.

At the hearing, you can ask questions about what academic support we offer. You can view the grant application and add your input to your student's specific academic needs. We offer professional development opportunities for school staff.

Please join us for this informational meeting to understand the services available for all Native American students.
