

October 29, 2020

Dear Parents and Guardians,

This notification is to inform you of a student at Wareham Middle School tested positive for COVID-19. We will personally make notification to you if your child was in close contact with this student.

We have notified the local Board of Health and are following all protocols from DESE and the CDC.

I strongly urge you to keep your child home if your child displays any symptoms of COVID-19. If your child has been tested for the virus, they are not to attend school.

Everyone in the Wareham Public Schools is working diligently to help keep everyone healthy and safe, and we greatly appreciate all of your help.

Thank you.

Dr. Kimberly B. Shaver-Hood
Superintendent of Schools
