Dear Wareham Families,

Each January, one of the highlights in our community is the annual Dr. Martin Luther King, Jr. Breakfast hosted by The Boys & Girls Club of Wareham. The theme of the 2019 MLK breakfast was "I have a dream, I can achieve it." At the event, select Wareham students were recognized for their strength of character. The students chosen to receive the prestigious Dr. Martin Luther King, Jr. awards embody many of the characteristic espoused by Dr. King, such as leadership, determination, and dedication to social justice.

As I have stated, when I think of Dr. Martin Luther King, Jr., the words that come to mind are caring, honesty, determination, and integrity. The MLK award recipients certainly demonstrate these traits in their words and actions. In all, ten Wareham youth were honored: Renneanna Dillen, Isaiah Borges, Julia Michaels, Malachi Samuels, Antonius Salib, Taness James, Andrew Nee, Perisa Tavares, Cecelia Chismer, and Lillian Briggs. We applaud each of these students for their commitment to dreaming big, and achieving their dreams. We look forward to hearing about the great things that are in store for each of these remarkable students. Best wishes for a wonderful weekend.

Sincerely,

Dr. Kimberly Shaver-Hood
