Becoming official members of Kiwanis!
Mr. Jenkins of Kiwanis is painting our hands because it’s a tradition for new members.
Helping hands!
● We were invited to be a focus group for the Wareham Free Library

● The FREESTYLE clothing program has been helping students all year
We pick up litter around WMS to support the “Don’t Trash Wareham” group.
Donated food we use for the STAGE backpack program to help WMS students who face food insecurity. This year we were able to include the Minot students!
How many meals do we provide through the STAGE program?

We provide about 600 meals a week - 2,400 meals a month!
This May, we learned about other local food programs and volunteered to help out at a local soup kitchen.
At the soup kitchen, we prepared and served the meal for the dinner guests - and we cleaned up after!
We now have a website that recognizes donors and our activities!
A special thank you to our volunteer helpers:
Elly Sheeley
Gabriel Silva
Taj Lewin-Pina
Jeliel Rivera Ramos
Maritte and Hannah Milne
