August 27, 2019

Dear Wareham Students,

Welcome back to school. Finally, our opening day of schools has arrived!!!!

Bus routes have been posted on our website and our buses are ready to go.

The first day of school, Wednesday, will be a half day. Thursday is a full day and there is no school on Friday as well as on Monday, September 2nd.

Breakfast and lunch are free again this year. Late buses for high school and middle school students will begin on September 19th.

Our Wareham staff are here to help you have a magnificent school year. If there is anything we can do to help, please let us know.

Thank you for being a Wareham student and I hope this is your best school year yet.

Best wishes,

Dr. Kimberly B. Shaver-Hood
Superintendent of Schools
